

# Glazier Bid Packet Welcome Letter

## Welcome!

We are excited about the opportunity to collaborate with you on your project. This comprehensive bid package provides you with the overall guidelines, documentation, and resources for installing View Smart Glass. You are required to review the information in its entirety so that your bid reflects collaboration, training, fabrication, installation and testing.

Upon review of the bid package, you will have knowledge of the following:

- View electrochromic glass
- View products and installation guides
- Fabricating window systems using View Smart Glass and View components
- Best known methods for installing View Smart Glass
- Critical milestones for testing throughout the project lifecycle

There is a 3-step process to help you navigate the contents of the bid package. These steps are:

- Step 1: Key Considerations for Generating a Bid
- Step 2: Learn about View Smart Glass
- Step 3: View Product Data Sheets and Resources

PLEASE REVIEW THIS DOCUMENT IN ITS ENTIRETY BEFORE BIDDING ON A VIEW SMART GLASS PROJECT.
