

## **CF Acquisition Corp. II Announces Registration Statement Effectiveness and Special Meeting Date to Approve Business Combination with View, Inc.**

**New York, NY and Milpitas, CA (February 16, 2021):** CF Finance Acquisition Corp. II (Nasdaq: CFII) (“CF II”), a special purpose acquisition company sponsored by Cantor Fitzgerald, today announced that the Securities and Exchange Commission (the “SEC”) has declared effective its registration statement on Form S-4 in connection with its previously announced business combination with View, Inc. (“View”), a Silicon Valley-based smart window company.

The declaration of effectiveness by the SEC and the filing of the definitive proxy statement is an important step in View becoming a publicly traded company, with the goal of being listed on the NASDAQ under the symbol “VIEW” at the close of the transaction.

As previously announced, the business combination is expected to deliver up to \$1 billion of gross proceeds to View including up to \$500 million in fully committed PIPE investments and up to \$500 million of cash held in CF II’s trust account from its initial public offering.

CF II will hold a Special Meeting of Stockholders at 10:00 a.m. Eastern time on March 5, 2021 to approve, among other things, the previously announced business combination with View. Shareholders of record at the close of business on January 27, 2021 will be entitled to receive notice of and to vote at the Special Meeting. The meeting will be held virtually over the internet by means of a live audio webcast. Shareholders will be able to attend, vote their shares and submit questions during the Special Meeting via a live webcast available at <https://www.cstproxy.com/cffinanceacquisitioncorpII/2021>.

At the closing, current View shareholders will roll their existing equity holdings into the post-business combination company. The transaction, which has been unanimously approved by the boards of directors of both CF II and View, is expected to close in the first quarter of 2021, subject to regulatory and stockholder approvals, and other customary closing conditions.
